"could be done. Agent Odum, Dallas office of the F.B.I. drove Lieutenant Day to the City Hall. The rifle had no manufacturer's name and had a telescope sight mounted on it which was marked as follows:

4 x 18 coated Ordinance Optics Inc., Hollywood, California. There was a small cloverleaf design with 'OSC' stamped inside the cloverleaf.

"Lieutanant Day returned to 411 Elm Street about 2:45 P.M. and continued the investigation with other Crime Scene Search officers.

"About fifty photographs were made of the area involved in the shooting and a scale drawing was made of the sixth floor by Detectives J. B. Hicks and R. L. Studebaker.

"The cartons in the area where the rifle was found, and also the cartons near the window where the spent hulls were found were dusted for prints. A palm print was found on the top northwest corner of a carton that appeared to have been used by the assassin to sit on while aiming the rifle. This palm print was collected and preserved, along with the carton it came off of, and three cartons stacked by the window apparently to rest the rifle on.

"Lieutenant Day returned to the Identification Bureau about 7:00 P.M. and started checking the rifle for prints. Two fingerprints were found on the side
